Dr. Mordecai Johnson To Speak On Sunday

Final Convocation To Be Conducted By Head of Howard University

Dr. Mordecai Johnson, President of Howard University, and recognized by many as one of the foremost speakers in the country will conduct the Chapel Convocation Sunday evening. The Convocation will be the last in this year's series.

Dr. Johnson was born in Paris, Tennesee, in 1890. His faher, the Rev. Wyatt Johnson, a former slave, was a lay minister. Dr. Johnson received his first A. B. from Morehouse College, in Atlanta, Ga. Since then he has received five other degrees; A. B., Chicago; B. D., Rochester; S. T. M., (Master of Theology), Harvard; D. D., Howard University; and LL. D., from Morehouse.

Dr. Johnson was a Professor of English, History, and Economics at Morehouse College for a few years before becoming an ordained Minister in the Baptist Church in 1916. In 1916-17 he was the Student Secretary of the International Commission of the YMCA.

Following his service with the YMCA, Dr. Johnson was the Minister of the First Baptist Church of Charlestown, W. Va., a post he held until 1926. In that year he was asked to assume the presidency of Howard University, a post which he has held ever since. During his administration, Howard University has grown to be one of the foremost Negro colleges in the United States, a feat directly attributable to Dr. Johnson's untiring work.

Alumni Group Aids Block "H" With Sub-Frosh

Plans are being made for an extension of the Block "H" Club's program for bringing freshmen with athletic abilities to Hamilton. Gordon Burton, chairman of the Block "H" Committee on Sub-freshmen, Athletic Director Mox Weber, and Mr. Richard Rait, member of the Board of Trustees, have worked out a plan for extending recruiting activities to the alumni which will be presented to alumni for their endorsement at commencement time.

The plan consists of organiz-

(Continued on Page 3)

Pentagon Taps New Members In Its Traditional Ceremony

Amid appropriate solemnity and suspense, Tom Gregory, Arnie Lerman, Bob Mackay, Lan Potter, and Don Roscher were clapped on the back in Chapel on Wednesday, signifying selection for Pentagon, Senior honor society.

Gregory, who was also a member of Was Los and D. T., is a newly elected member of the Student Council, President of Emerson Literary Society, a member of the soccer, basketball, and golf teams, and a member of the Charlatans. He has served as Secretary of the Interfraternity Council since Easter.

Lerman is a member of the debating team, a member of Delta Sigma Rho, national forensic honor society, and a high honor student.

The newly-elected President of Alpha Delta Phi, Mackay will be serving his second year on both the Student Council and Honor Court next year. He has been a letterman in both soccer and basketball, serving as captain of the latter during the 1948-49 season. A member of both class honor societies, he is also on the golf team this year.

Potter, recently named Editor-in-chief of the *Spectator,* is also Captain of the Ski team for next year. He has been active in the

(Continued on Page 6)

'Play's the Thing' To Be Presented By the Charlatans

For the first time in several years, a straight light comedy will be produced by the Hamilton College Charlatans. Successfully staged twice on Broadway and starring Louis Calhern and Faye Emerson in its more recent (1947) run, *The Play's The Thing* will be presented by the College theatrical group on the evenings of May 26 and 27 at the Clinton Central School Auditorium, concluding the 1948-49 season for the Charlatans.

Written by Ferenc Molnar and adopted from the Hungarian by P. G. Wodehouse, the comedy will be directed by one of its stars, Dwight H. Carter. Carter is no newcomer as a director, having already been successful in his direction of the fall drama, *Macbeth,* and the recent one act play, *Hope Is the Thing With Feathers.*

The setting of the play is the French Riviera, where the famous playwright, Sandor Turai (Carter), and his collaborators, Mansky (J. Robert Pigott) and Albert Adam (J. Ryan Brownfield) are visiting their prima donna, Illona Szabo, played by Mrs. Paul Johnson. They find her there having an affair with a ham actor named Almady (Herbert Blitz).

When the three visitors overhear a love scene between Illona and Almady, Turai attempts to convince Adam that the scene is one from the play that they are rehearsing. The only way Turai succeeds in his efforts is by writing a play which incorporates the love scene. After he writes the play, it is presented in rehearsal for Adam's benefit.

Besides those already mentioned, others to be seen in the play are Edwin Rollins, as the "highly inefficient" secretary, Mr. Mell; and Douglas Johnson, the "high-

(Continued on Page 4)

Mackay, Wilson, Whitcombe, Kaufmann, Thomas On Court

Bob Mackay, Bill Wilson, Bill Kaufmann, Dave Whitcombe, and Don Thomas were elected to the Honor Court on Wednesday. Mackay, Whitcombe, and Thomas were all incumbents.

Mackay, who will be serving his second year on the Student Council next year, is President of Alpha Delta Phi and President of the Junior Class. A member of all three class honor societies, he has won letters in soccer and basketball, and plays on the golf team.

Wilson, who is the other Senior representative on the Court for next year, is a star on the lacrosse team and a member of Emerson Literary Society.

Kaufmann and Whitcombe are the representatives of the Junior class on the Honor Court. Kaufmann was a star on the Sig intramural basketball team. Whitcombe is also a member of Sigma Phi.

Thomas, who is a member of D. T., has played basketball, spring football, and J-V baseball. He is the Sophomore member of the Court.

General Bradley and E. M. Forster Will Be Recipients of Honorary Degrees at Commencement, June 12

Judge Fuld, Reverend Skinner To Be Among Those Honored

Omar N. Bradley

General Omar N. Bradley, Chief of Staff of the U. S. Army, and Edward M. Forster, noted British novelist, head the list of those scheduled to receive honorary degrees at the College commencement on June 12. Others who will be honored at that time include Judge Stanley H. Fuld, Rev. Robert M. Skinner, Rev. Harold B. Walker, and William P. Welsh.

General Bradley, who will receive the Doctor of Laws degree, has had a long and distinguished career as an army officer. Graduated from West Point as a classmate of Dwight D. Eisenhower, he rose to the rank of Major during World War I. Between the two wars, he taught at various military schools and was in charge of the National Guard and Reserve Affairs in Hawaii. He rose to fame as Commander of the Twelfth Army during World War II, and soon after the end of the war, President Truman placed him in the important post of head of the Veterans Administration. Last year, he was taken out of this position and made Chief of Staff.

E. M. Forster, born in 1879, attended Kings College, Cambridge, of which he is now an honorary fellow. He is the author of many books, perhaps the best known of which is *A Passage to India,* written in 1924. Some of his other works include *Where Angels Fear To Tread, A Room With A View* and *Howard's End.* Mr. Forster will receive the degree of Doctor of Letters.

Judge Fuld is a Justice of the New York State Court of Appeal. He graduated from the City College of New York in 1923, and is now on the Board of Directors of CCNY. A graduate of

Classes Compete For Two Trophies Next Wednesday

The second annual Hamilton College Class Day, featuring inter-class athletic and singing competitions, will be held Wednesday, May 25. In order to make room for the various events, the last two morning, and all the afternoon classes, will be eliminated; with the regular Wednesday assembly at 10 A. M. completing the day.

Then, starting at 10:30 A. M., with the finals of the inter-class golf tournament — nine holes of match play — a full schedule of competitions will occupy the day, culminating with the Class Sing at 8:30 P. M. At the finish of the sing, the awarding of the singing trophy by Professor Berrian R. Shute, and of the inter-class trophy by Professor Emeritus Arthur Percy Saunders, will be made in Commons.

A faculty-student softball game at 10:45 A. M. on the baseball diamond will follow the golf finals. The student squad will be composed of twenty men, five from each class. Eligibility for all events will be unrestricted, regardless of varsity standing,

At 1 P. M. the classes will meet at various houses to hold final rehearsals for the Class Sing. Then, at 2 P. M., the track meet will get under way, with the number of entries from each class to be unlimited. The meet will be scored on a basis of 6, 4, 3, 2, and 1 points for first, second, third, fourth, and fifth places, respectively.

The interclass softball final will be played at 4:30 P. M. on the

(Continued on Page 3)

Hill's Bus Service Extended to 11:15 PM

Officials of the Utica Transit Corporation announced Wednesday night that bus service to College Hill would be extended to late evening. By the new schedule the last evening bus will leave Park Row in Clinton at 10:55 P. M. and will return from the Hill at 11:15.

This is a change of an additional seven hours of service over the original schedule which stopped at 4:25. The first trip leaves Clinton at 6:55 A. M., and runs are made at half hour intervals throughout the day beginning at five minutes to the hour and 25 minutes after the hour.

Block H Committee

Although the story has not received "top billing" in the week's news, we feel that the efforts of the Block "H" Club's recruiting committee deserve recognition by the student body. Their organization of student effort in securing potential Hamilton athletes and their recent plan for alumni recruiting are both significant steps towards an intelligent solution of Hamilton's basic athletic problem.

The *Spectator's* survey of the many problems confronting Hamilton athletics proved to the editors that the problem of securing "raw materials" is perhaps basic to all others and that it probably should be solved first. It seems fortunate that members of the Block "H" Club possessed the insight and initiative to begin an active recruiting program.

The recruiting committee, headed by Gordon Burton, did a fine job of collecting student recommendations for potential Hamilton athletes, publicizing Hamilton to the suggested boys, and arranging for their visits to the Hill. One group of sub-freshmen has already visited the campus, and another group is expected next weekend. If the committee succeeds in bringing even three or four good athletes to the Hill, its efforts can be considered worth while.

The *Spectator* survey revealed a surprising lack of organization of alumni effort in recruiting. At the time of the survey, the editors felt that the solution would lie in the creation of a new office in the admissions staff, which would assume responsibility for such organization. It is entirely conceivable, however, that the voluntary plan of alumni organization, announced by the committee this week, would be more inclusive and effective, and that there is no need for extensive administrative action by the college. We hope that this will be the case. We feel the most important factor in the committee's success is their foresight in making the program a permanent, continuous one which will function when present committee members have left college.

Dormitory, Salary Fund Were Carnegie Donations

In the spring, perhaps more than during any other season, the Hamilton College campus goes on display. From now until Commencement Day in June, the campus will be visited almost daily by alumni, parents and friends of students, friends of the faculty, sub-freshmen, and perhaps by some who merely seek escape from the hot sun under its many beautiful shade trees. Such visits always occasion the recollection of the numerous stories behind the campus' famous monuments and buildings—stories such as that connected with Carnegie Hall.

On the entrance side of Carnegie Dormitory, there may be found a dedication stone which reads:

CARNEGIE HALL
The Gift of
Andrew Carnegie, LL.D.
MCMIII

Doubtless many of the visitors and, unless they already know the story, their student guides will pause there and wonder just how Andrew Carnegie, *the* Andrew Carnegie, came to donate a dormitory to Hamilton College. It might be assumed, as is so often the case when a millionaire philanthropist donates a building to a college campus, that Hamilton College presented Andrew Carnegie with the honorary degree of Doctor of Laws in return for which Andrew Carnegie, LL. D. presented Hamilton College with a new dormitory. Such, however, was not the case. Indeed, the story of Andrew Carnegie's interest in Hamilton is a much longer and a far more interesting one.

In 1903, Secretary of War Elihu Root '64 wrote a letter to his old friend Andrew Carnegie (whose lawyer he had been in years past) inviting his 'interest' in Hamilton College. At its commencement meeting in 1903, the trustees of the College reported that they had received a generous gift from Andrew Carnegie "in view of the public services of Elihu Root as Secretary of War of the United States." That gift was the funds necessary for the erection of Carnegie Hall (approximately $100,000).

In 1909, Secretary of State Elihu Root again addressed himself to his old friend. His appeal went along this vein. "When I was Secretary of War, you generously gave my College the funds for a new dormitory. Now I am Secretary of State, a job twice as important because our nation is now concerned about world peace. Recently you offered to provide the funds for the erection of the proposed Peace Palace in The Hague thereby indicating your benevolent interest in world peace. Therefore, in the name of world peace. . ."

In a letter to the trustees dated April 8, 1909, Andrew Carnegie replied with a gift of $200,000 "to be held in perpetuity as the Elihu Root Peace Fund as a basis of salaries for instructors."

Including a new dormitory and the Elihu Root Peace Fund, Andrew Carnegie's interest in Hamilton College has amounted to a total of some $300,000. This is exclusive of later donations in the form of scholarships from the Andrew Carnegie Foundation for the Advancement of American Education which Carnegie founded in 1911 and upon whose Board of Trustees Elihu Root served several terms.

On October 10, 1914, in a ceremony which included the opening of the new College library, the trustees of Hamilton College awarded Andrew Carnegie the honorary degree of Doctor of Laws not, in the words of President Stryker, "on account of your beneficence to us, but in recognition of the great work which has already begun at The Hague."

Dr. Edward Franklin Hauch, Scholar & Friend, To Retire

With all its optimism and relief, Commencement also brings a touch of sadness to a tight-knit College community. Sadness because it occasions the parting of many old and fast friends — faculty as well as graduates. Friends like Dr. Edward Franklin Hauch, Professor of German Language and Literature and Head of Hamilton's German Department. At the close of the school year, Dr. Hauch will be leaving the Hill for a year's leave of absence prior to retiring from the faculty.

Dr. Hauch was born in Locksley, Canada, on December 28th, 1879. He was graduated from the University of Toronto in 1907; received his master's degree from Columbia University in 1909 and his doctorate from the same school in 1916. He began his teaching career at the Horace Mann School where he served from 1907-11 as a German instructor. From 1911-21, he served as an Instructor and Assistant Professor of French and German and later as Associate Professor of Modern Languages at Rutgers University. In 1921, Dr. Hauch came to Hamilton to replace Dr. Herman C. G. Brandt as the Munson Professor of German Language and Literature. Throughout thirty-eight years as its head, Dr. Hauch's strict efficiency has been responsible, perhaps more than any other factor, for the excellence of Hamilton's German Department.

However, Hamilton is losing more than a fine German scholar, it is losing one of its oldest and closest friends. Early risers will miss their daily encounters with Dr. Hauch during his vigorous before-breakfast strolls about the campus. He will long be remembered by his many students for his classic, "Fenster auf! Klasse, aufstehen....!" And it is doubtful if anyone will ever be able to raise a lovelier patch of tulips on the Hill.

W.J.S.

Entertainment In Utica

by John E. Campion

Now that the Utica Transit Company has succumbed to the persuasive Dave Wilder, there is no longer any reason for anyone remaining on College Hill when the lights and music of our nearby metropolis beckon. It should also be noted here that only about two weeks are left to drink deep of the pleasures that Utica has to offer. Soon you will be leaving here; so make the most of your time.

At the Olympic: May 18-24. *Down to the Sea in Ships*, starring Richard Widmark (the giggling killer of *Kiss of Death*), Lionel Barrymore, and Dean Stockwell. A story of a whaling ship battling storms in the Atlantic. Exciting and wet. Starting at the Olympic May 25: *Shockproof* and *Mutineers.*

At the Stanley: *Portrait of Jennie*, the screen version of Robert Nathan's fantasy of a romance "out of time" between a painter and a strange wistful girl who poses for a portrait. Joseph Cotton, Ethel Barrymore, David Wayne, and Jennifer Jones give very fine performances. The ending includes one of the most violent storms ever photographed. Take your raincoat.

At the Utica: *The Lawton Story*, a picture guaranteed to "make a church-goer out of everyone". Coming so soon after houseparty, the picture may help you regain your shaken faith. On the stage are the Witchita Mountain Pageant girls who, we imagine, have very little in common with the entertainers at the Custer Club of a few weeks ago.

As noted in previous columns there is a new nite spot in Utica, Talerico's, next to the Avon Theatre. The young lady there named Chrystene, who might very well be called "the low-and-behold girl", is very much worth seeing. She also plays and sings. Requests are graciously accepted. Appearing with her is Denny Miles, singing pianist of stage and radio fame.

At Jerry Marsh's Cafe Lounge: The James Quintet, a return engagement and a deserving one. They alternate with Charlie Ford, pianist.

The Faculty

Coaching Staff of Panatier, Batt, Dugan End First Year

Batt, Dugan, Panatier

Finishing out their first year of Hamilton athletics are three coaches — all with "championship" somewhere in their backgrounds — who joined the Hill staff last September.

Named as head soccer and basketball coach last fall was John F. Panatier. Coach Panatier, a Chemical Warfare and recreation officer in the Army during the war, was graduated from Springfield College in 1941, and received his master's degree in Physical Education from his alma mater earlier this year. He was a member of the New England Championship Basketball team at Springfield in 1939-40. He was Director of Physical Education at Ten Broeck Academy, Franklinville, N. Y., specializing in soccer, from 1941 until his entry into the service in February 1942. After his release from active duty he did graduate work at Springfield and also coached the junior varsity basketball team. Two years ago, he went to Norwich University, Northfield, Vt., where he was varsity basketball coach and athletic trainer for two years, and varsity golf and baseball coach for one year He and Mrs. Panatier have a three-months-old daughter, Kate.

The new hockey, baseball, and assistant football coach (backfield) is Gregory J. Batt. Graduating from the Nichols School, Buffalo, N. Y., Coach Batt entered Colgate University in 1940 where he was freshman and later varsity center on the Colgate

(Continued on Page 4)

College to Confer Honorary Degrees On Bradley and Forster June 12

Columbia Law School, Judge Fuld was associated with Governor Dewey in the investigation of the rackets in New York County. He will be awarded an honorary degree of Doctor of Laws.

Reverend Skinner is minister of the Presbyterian Church in Westfield, New Jersey. He attended Hamilton and graduated from Princeton in 1924. He was with the Firestone Tire and Rubber Company for some years, and then obtained the degree of Bachelor of Theology from Princeton Theological Seminary in 1934. He will receive a Doctor of Divinity degree.

Reverend Walker, who will be awarded a D. D., is the pastor of the First Presbyterian Church in Evanston, Illinois. A graduate of the University of Denver, he has had pastorates in Chicago, Utica, Oklahoma City, and Evanston.

The degree of Master of Humane Letters will be given Mr. Welsh, a former President of the National Association of Insurance Agents. Mr. Welsh attended Hamilton before the first World War, and has been in the insurance business since that time. He has served as Chairman of the Tournament of Roses, as Chairman of the Pasadena Chamber of Commerce, and as a Commander of the American Legion.

Sub-Frosh. . Cont'd

ing the alumni throughout the 23 alumni districts, to seek out high school and prep school boys who can meet Hamilton scholastic standards and who at the same time have better than average athletic ability. A representative will be appointed in each district by the alumni group in that district. It will be his job to receive all recommendations of promising subfreshmen, and to make sure in each case that the boy recommended will be able to meet Hamilton's scholastic requirements. Following such indirect check-up, the representative will send each boy's name in to the Block "H" Club here at Hamilton. Finally, the boy will be invited to the Hill for one of the Sub-Freshmen Weekends, and the alumni group in his area will contact him directly in order to heighten his interest in Hamilton, and to help convince him that Hamilton should be his choice.

In the meantime, the present Block "H" program is being continued. Next weekend Block "H" plays host to this year's second group of sub-freshmen athletes who will visit the Hill to see Hamilton teams in action.

Eight Faculty Members To Leave, President McEwen Announces

President Robert W. McEwen announced early this week the names of eight men who are leaving the faculty at the end of the current academic year, and the names of four replacements for these men.

Professor Edward M. Hauch, Head of the German Department, is taking a year's leave of absence prior to retiring next year. Professor Hauch joined the faculty in 1921 as a full professor in a one-man German Department which has since been enlarged to three.

Merle W. Tate, Associate Professor of Education, is leaving the Hill to take a similar position in the Graduate School of Education of the University of Pennsylvania. Mr. Tate has been with the faculty at Hamilton for three years.

Five Instructors are leaving for graduate study. Thomas Colby will enter Princeton in the fall to work toward his Ph. D., Donald Dunbar goes to Chicago for a Doctorate, Bruce Otis and Allen Phillips plan to study at Minnesota and Michigan, respectively, for the Ph. D. degree, and Benjamin Lake will enroll in Union Theological Seminary in pursuit of a Bachelor of Divinity degree.

Mitchell Wendell, Instructor in Political Science for the past two years, is moving to Springfield College where he will be a member of the History Department in charge of the courses in Political Science.

Class Day. . .Cont'd

baseball diamond. The semi-finals for both golf and sortball (with Juniors vs. Seniors and Freshmen vs. Sophomores in the former, and Freshmen vs. Juniors and Sophomores vs. Seniors in the latter) to be run off sometime before Wednesday.

The Class Sing, a tradition of long standing, will end the day, with each class rendering *Carissima* and two other selections of its own choice. Judging is to be by President Robert W. McEwen and Professors Saunders and Shute, with the groups performing as usual from the steps of Benedict, the Library, Root and Truax.

Organizations

The SCA will present the movie "Keys of the Kingdom" tonight at 8:00 in the Chemistry Auditorium. Donation: $.35 per student.

OUTING CLUB

The Outing Club will meet next Monday at 8:00 in Root 26 to complete elections and make plans for next year.

IRC

At a meeting of the International Relations Club held last Monday night in the Baker Memorial Room, Professor Shannon McCune of the Colgate Geography Department spoke at length upon the "Chinese Dilemma." Professor McCune's talk was based on a personal contact with the problems of China, where he has lived for some time. A question and answer period was held immediately following the talk.

The IRC also completed its election of officers for the coming academic year. Robert Conklin, James Sontheimer, and Philip Sweany were named to fill the offices of vice-president, secretary, and director of public relations. The election was held under the direction of Christopher Beebe, recently elected president.

Prosperous Future Promised as Blazer Co. Ends Sales

Originally intended merely as a "furtherance of school spirit," the Blazer Company (of Hamilton College) has now developed into a thriving business firm.

When Bob Ackerman, Ronnie Berg, and Ted Mullett conceived the idea last February to establish a standard Hamilton College blazer (navy blue flannel sport coat) with the College seal on the breast pocket, such a prosperous future was hardly thought of. Today, these three have a company filed and registered to conduct business operations in New York State, and they also have legal contracts protecting their partnership and product.

The company was established early last April with Ackerman as president, Berg, executive vice president, and Mullett, secretary-treasurer. Featuring a jacket tailored by a well-known New York firm, the Blazer Company ended its initial sales drive a few weeks ago with results far exceeding all expectations.

Unfortunately, the jackets will not be seen in prominence until next fall, as deliveries have been delayed until June.

Charlatans Give 'Play's the Thing'

(Continued from Page 1)

ly efficient" butler, Dwornitchek. Douglas Parrott is assisting Carter with the direction, while Galbraith Crump is helping with set designing. Curtain time will be at 8:30 sharp.

Next week's production will be final performances of active careers with the Charlatans for Bob Pigott and Dwight Carter. Carter, who aspires to a future in television, stage, or radio, and under whose leadership the Charlatans have seen a very successful season, has recently said, "It is our hope that this year will be an example for future Charlatans and that an even more ambitious and diversified program may developed in the future."

Coaches . . . Cont'd

(Continued from Page 2)

hockey team. In 1942-43, he was Colgate's playing coach. After Pacific battle experience as a Marine squad leader — during which he received the Purple Heart for wounds on Okinawa — he returned to Colgate in 1946 as assistant soccer and hockey coach and freshman tennis coach. During his last two winters at Colgate, he commuted to Clinton to play center on the first line of the Clinton Hockey Club. Last winter he was named All-Star center of the American Hockey Assn. Tournament at Lake Placid after participating with the Clinton Club. During the past two summers, Coach Batt has played in the infield of the Hamilton, N. Y., town baseball team.

The new head track and swimming coach and assistant football coach is Peter J. Dugan. A pre-war Syracuse University center who later played with All-American George Connor in a Navy V-12 Unit team at the College of Holy Cross, Coach Dugan last year developed the Northern New York State Interscholastic Championship eleven at Massena High School. A graduate of Lawrence High School, Lawrence, Mass., he also attended Phillips Andover Academy, and played football at each school. He took part in track and field events — specializing in the hammer throw — and continued track work at Syracuse. He served in the Navy and Coast Guard as an athletic instructor during the war, and then returned to Syracuse to complete his undergraduate work in January 1947. He coached football at St. Lucy's Academy, Syracuse, in the fall of 1946 and held a temporary instructorship at Oswego State Teacher's College before becoming head football and assistant track coach at Massena High School a year ago. Coach Dugan is working for his master's degree in American history from Syracuse University. He and Mrs. Dugan have a two-year-old son, Peter, Jr.

Golfers, Netmen Lose to Rochester; Meet Utica Here

Both the Hamilton golf and tennis teams will be in action tomorrow afternoon,meeting Utica College here. Last Friday both teams lost to the University of Rochester and Wednesday the Blue netsters and golfers were in Geneva to play Hobart.

Bob Mackay and Bill Luers were the only individual Hamilton winners in the 6-3 golf loss to Rochester. Mackay and Gordie Burton won their best ball play.

The tennis team loss was also by a 6-3 score. Hamilton's singles victors were Jack Banks who beat Ryan, 6-2, 7-5, and Bill Cooper, winner over Bosworth, 4-6, 6-2, 6-2. The Continentals won one doubles event when Vandy Ward and Pete Grimm downed Cochrane and Bosworth, 6-1, 8-6.

Tennis Defeats Hobart

Hamilton College's tennis team defeated Hobart, 6-3, in Geneva Wednesday afternoon. The Continentals took four singles matches and two of the doubles events.

Hamilton winners included Vandy Ward, Jack Banks, Pete Grimm, and Harry Bates, in the singles, and Grimm and Ward, and Banks and Bill Cooper in the doubles.

Hill Lacrosse Team Bows to Hobart; To Face Sampson

Overwhelmed by the powerful Hobart lacrosse team last Saturday, the Hamilton stickmen will get back in their own class tomorrow when they face Sampson at Sampson in their fourth test of the year. As lacrosse is also a young sport at the former naval training station, the game tomorrow should be much more evenly contested than last week's debacle. Practically the same men who took the field against the States men will get the starting nod against Sampson.

Hobart simply presented too much speed, savvy, and strength for the Hillmen to handle, and found them to be rather easy pickings. Although the Statesmen had dropped a 13-12 decision to Penn State the day before the Hamilton game, they hit the Blue goal early and often, and emerged with a 15-1 victory.

Krause proved to be the big gun in the Orange attack, ramming home five goals in the first half, and making five assists in the second. He opened the barrage after seventeen seconds with his initial tally, and kept up a continual bombardment of the Hill net from that point on. Hobart held a 4-0 advantage at the

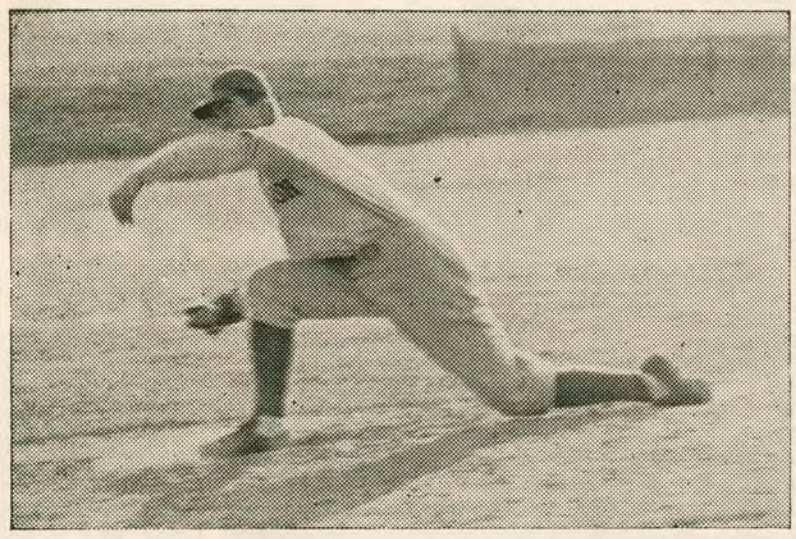
Hamilton Nine Beats Rochester; Win 14-13 in Ninth Frame Rally



Star Sophomore Chucker, lefty Tony Sleggs follows through with the delivery which has made him low man in ERA this season.

Hillmen Get Third Triumph of Season

After splitting even in two games with the University of Rochester last week, Hamilton's baseball team is on a two-day trip to Middlebury and RPI this weekend. Today the Continentals were to meet the Panthers, and tomorrow they will participate in a big sports program which also includes an invitational track meet and a lacrosse test at Troy. Tuesday the Blue will invade Hobart, and next Saturday Hamilton will close its season by playing host to Union.

Superb relief pitching by Tony Sleggs and an eighteen hit attack enabled Hamilton to beat Rochester 14-13 on the Hill diamond Friday after losing 5-2 in the Flower City Wednesday. The Blue trailed going into the last half of the ninth, 13-12, but Rog Wood was safe on an error, and Ron Powers singled. Marty Fribush's sacrifice advanced them each a base, and then both scored when Carl Wren wild-pitched the ball five feet over catcher Dick Garnish's head.

Rochester got to starter Jim Beaverson for 13 hits in four innings and led 11-5 in the fifth frame. Then Sleggs came on the scene and let the Rivermen down without a bingle and gave up no bases on balls for the rest of the 2 hour and 40 minute marathon.

The Continentals scored three runs in both the sixth and seventh innings off the vaunted Wren, considered by many to be one of the finest small college pitchers in the country. In the eighth the Blue went ahead by one run, but in the ninth Rochester scored twice without a hit when the Hamilton defense collapsed.

Wood, Tom Sweet, and Johnny Warren each got three hits and every Blue player garnered at least one base knock. Hamilton played without the services of the ailing Jerry Steiner, but Dave

Cindermen in Invitational Meet at Troy; Tripped by Rochester, 71 1-2 to 59 1-2

Hamilton's track team will invade Troy tomorrow to take part in the annual RPI Invitational meet, along with several other outstanding small college squads. Among those participating will be Union, Middlebury, and Rochester, all of whom have already scored victories over the Hillmen, and several others, including RPI, Cortland State, Ithaca, and Hartwick. Inasmuch as freshmen are ineligiblee to compete in this meet, Coach Pete Dugan plans to take only twelve men on the trip.

Last Saturday, the traditional houseparty jinx again proved too much to cope with, as the Continentals bowed to Rochester 71 1|2 to 59 1|2. A decided weakness in the running events told the story. Although the Hillmen held advantage in the field, the Jackets swept every first place on the cinders, and racked up a few seconds and thirds to boot.

High man on the totem pole for the Blue was Paul Randall who soared to a first in the pole vault, grabbed a second over the tall timbers, and also a tie for first in the high jump. Fred Schmidt was the only Hill double winner, taking the shot put with a 43' 9" effort, and breaking the discuss record with a heave of 129' 10 1|2". Jake Heinig, although not up to his usual form, managed to squeeze out a win in the javelin throw, tossing the spear 156' 8".

Dave Palmer collected a pair of seconds in the 100 and 220 yard sprints, running behind the flying Pete Cohen of Rochester on both occasions. Cohen turned in a 10 flat century, and then came back an hour later with a blazing 21.8 furlong, one of the fastest ever run on the Steuben track. Not satisfied with this, he later added

quarter mark, and upped it to 7-0 at the intermission.

Dick Baldwin scored Hamilton's only goal shortly after the the second half opened, but the Genevans promptly matched it, and rolled on to an 11-1 spread at the end of the third canto. They completed the rout with more markers against the tiring Continentals in the fourth period.

more to his laurels with a 52.5 leg in the mile relay, which was easily won by the Jackets.

Also figuring prominently in the scoring were John Egner, with two seconds in the shot and discuss; Lou Boyajy, with a second in the two mile; Paul Langa and Carl Brandt, who tied for first along with Randall in the high jump; Joel Squier, second in the javelin; and George Moffatt and George Murphy with seconds in the pole vault and low hurdles.

Baseball . . . Cont'd

porter and Fribush filled in very capably, Porter contributing a three-run double in the sixth.

In the two Rochester games the Blue continued to display good hitting, but the fielding was woefully sub-standard. Altogether the team had 16 errors, seven Wednesday and nine Friday.

Hamilton faces two strong opponents this weekend. RPI has won five games in seven starts, and their victories include decisions over Stevens and Drew, both of whom beat the Continentals. The Blue has now won three of its last four starts and boasts a three-three record for the season.

The Hamilton Junior Varsity, too, will be away tomorrow. The Blue Juniors, winless in three starts, will be attempting to avenge one of their losses when they meet the Colgate Freshmen in Hamilton.

DU To Play LCA For Softball Plaque

The Intramural Council, at its final meeting of the year, named Ron Berg Chairman for next year. Retiring Chairman Elbie Howard announced that he wished to thank all the representatives on the Council for their work this year, and that the winners of medals and plaques may pick them up at Mox Weber's office in the Gym.

In the softball tournament now in progress, Lambda Chi has won one league, and Delta Upsilon the other. Both teams were undefeated in regular season play, and meet in a best two games out of three series next week to decide the championship.

Jack Banks and Cy Keehn were elected president and vice-president, respectively, of D. T., the sophomore honor society, for next year, at the organizational meeting last Thursday evening.
